

IEEE
IOE - PULCHOWK STUDENT BRANCH

CERTIFICATE OF COMPLETION

This certificate is presented to

Aaradhya Dev Tamrakar

for their successful participation in the PreXtreme Competitive Programming Workshop, a comprehensive five-day course on competitive coding organized by IEEE-Pulchowk Student Branch, IOE Pulchowk Campus from July 11th to July 16th.

Throughout the workshop, the participant acquired knowledge and expertise in algorithms and data structures, including the following topics:

- | | |
|----------------------------|------------------------|
| 1. Arrays, Stack & Queue | 6. Recursion |
| 2. Time and Space Analysis | 7. Greedy Algorithm |
| 3. Number Theory | 8. Bit Manipulation |
| 4. Basic Combinatorics | 9. Dynamic Programming |
| 5. Searching and Sorting | 10. Trees and Graphs |

We extend our best wishes to the participant for their future endeavors, and hope that the skills acquired during the workshop will prove useful in the days to come.

Bikash Adhikari
Chair
IOE-Pulchowk Student Branch

Assoc. Prof. Arun K. Timalina
Counselor
IOE-Pulchowk Student Branch
